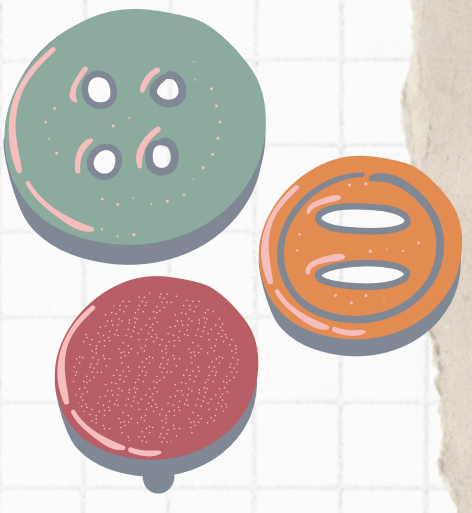
7 Day Art Challenge - Sewing with Felt



01

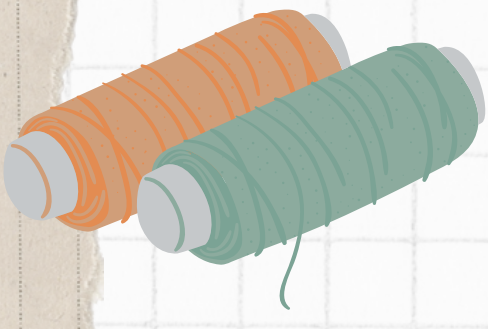
Set up your Art Space

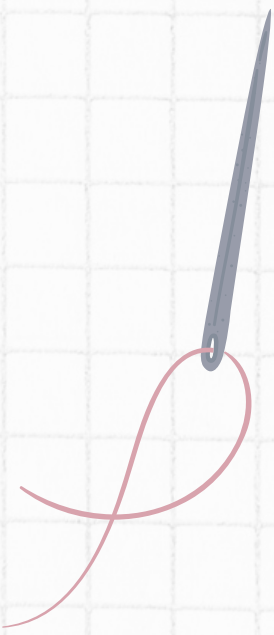
Prepare your art space for easy access. Have a basket to keep your felt, fabric scraps, needles, thread and any extras like buttons.

02

Daily Practise

Each day, try to work on a little project for at least 10 minutes. It's very relaxing to sew in the evening or while sitting outside with a nice cup of tea or coffee.





03

Play and Have Fun Exploring

Experiment with different techniques, color combinations, or subjects. Remember, the goal is to enjoy the creative process and explore your art supplies without the pressure of perfection.

04
